Dear Parents/Carers,

STEM Parent Workshops during week commencing 18th March 2024.

I am writing to invite you into school to take part in a STEM workshop with your child 's class during the **week commencing 18th March 2024**. The individual dates for the class workshops are set out below.

These workshops will take place to celebrate British Science Week (8th - 17th March 2024), and this year the theme is 'Time'. This will give the children and the whole school community the opportunity to celebrate Science, Technology, Engineering and Maths (STEM) by exploring a range of fun and engaging activities.

The workshops will last between **30 - 45 minutes** for each year group.

If you are able to attend your child's workshop, ***please email your class teacher in advance*** to let them know that you wish to attend.

The workshops will take place in the KS1 and KS2 halls so you should arrive at the main entrance on Danger Lane at the designated time.

I look forward to seeing you at the workshops to join in our celebrations.

Many thanks,

Miss Stewart
Y5 Teacher and Science Coordinator

Year Group	Day	Time	Location
Year 1	Monday - 18th March	2.30pm	KS1 Hall
Year 2	Monday - 18th March	9.15am	KS2 Hall
