

English

Writing

Using our text, the children will develop the formation of nouns using a range of fronted adverbials and a greater appreciation of how writing should engage the reader.

Guided Reading

The children will be recapping a variety of key reading skills looking at author's choice of vocabulary, retrieving key information and inferring information.

Our Class Read

In English we will be exploring 'The Journey' book by Francesca Sanna. As a class we will be reading 'BFG' by Roald Dahl.

Maths

Monmey, Length, Mass & Volume

RECAP

Reading and comparing numbers up to 10,000

Mental methods of multiplication, division, addition and subtraction

Times tables (2's, - 12's)

The children should continue to access Times Table Rock Stars to ensure that they have a sound knowledge of multiplication and division.

P.E.

The children will be exploring rules of different games and practising their skills in team games and fitness exercises.

Languages

In French the children explore the topic of 'the weather' and will be learning how to describe the variety of weather conditions they experience.

Half Term Plan for Year Four Summer 1 2024

Music

Children will learn about how music can bring us together. They will continue to explore the power of their voices through choir lessons..

Computing

Control and Programming: Use Code Studio to find errors in a simple program, and successfully debug to make the program work.

Multimedia: Use microbots to program software and create tracking devices.

Art and Design

The children will use their sketchbooks to record their observations and use them to review and revisit ideas. They will improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials. They will also learn about great artists, architects and designers in history.

Key Dates

Trip to Chester Zoo: Friday 19th April.

Trip to Chester Museum: Thursday 9th May

Break for Half Term: Friday 24th May

Thematic

(Geography Focus)

The children will learn about points of the compass, using ordnance survey maps and further investigate the geographical nature of Wirral..

Science

States of Matter (sound)

The children will:

Identify how sounds are made, associating some of them with something vibrating..

Find patterns between the pitch of a sound and features of the object that produced it.

Find patterns between the volume of a sound and the strength of the vibrations that produced it.

R.E.

The Early Christians

The children will learn about the stories of the early church and its brave band of followers as they began to spread Jesus' message to others. They will learn that the fear felt as Jesus ascended into heaven was replaced due to the power of the Holy Spirit at Pentecost.
