Liverpool City Region Christmas Card Competition 2023

Dear Parents and Carers,

Please see information below from Steve Rotheram, Mayor of the Liverpool City Region, regarding a Christmas Card Competition.

As hard as it is to believe, we are once again not too far away from the end of the calendar year, meaning that Christmas time will be with us before we know it - and my thoughts (like others) inevitably turn to cards.

It is not always easy to capture all six of the Liverpool City Region's boroughs (Halton, Knowsley, Liverpool, Sefton, St. Helen's and Wirral), its culture, its people, its stunning assets and the mood of the season all in a single card - but the creativity of our children never ceases to amaze me, and all designs will be gratefully received.

I believe that taking part in this competition would be a fantastic opportunity for your children to learn more about the place they call home and share with their peers - as well as a test of their creative abilities.

The winning pupil and their school will receive a generous prize from the competition.

I have included some criteria:

- *I only require a design for the front of the card, the size of which will be A5 (half of A4)*
- *The design will be scanned so, unfortunately, accessories, such as tinsel and baubles, can't be used*
- *The Liverpool City Region is made up of Halton, Knowsley, Liverpool, Sefton, St. Helen's and Wirral*

If your child would like to take part, entries must be returned to your child's class teacher by **Wednesday 4th October**. On the back of the design, please include your child's name, school, class and age.

It would be lovely to have as many entries as possible to showcase the beautiful Wirral Peninsula.

Thank you for your continued support.

Kind regards,

Mrs M. Grealis
