Dear Parents/Carers

At Sacred Heart our Relationship, Health and Sex Education, is taught using the **Life to the Full** programme, produced by the Catholic educational organisation, Ten Ten Resources. RHSE is a statutory curriculum subject.

We introduced the **Life to the Full** programme in 2020 following Parent and Governors consultations. The **Life to the Full** programme is based on the structure of 'A Model Catholic RSE Curriculum' by the Catholic Education Service. This model curriculum was highlighted as a work of good practice by the Department of Education so we therefore have confidence that the programme is fit for purpose in supporting the growth and development of your child.

**Life to the Full** is much more than a series of lessons. It is an entire platform of creative resources that engages, informs and inspires our children and, indeed, you as parents. This includes interactive video content, story-based activities, employing a wide range of teaching tools, original worship music and an accompanying programme of classroom prayers.

In addition there is an online parent platform so that you, as parent and carers, can engage with the teaching and deepen the experience for your child. To access the online parent platform please visit: [www.tentenresources.co.uk/parent-portal](http://www.tentenresources.co.uk/parent-portal)

Here you will find your child's RHSE curriculum content for the year so you can be fully involved with their RHSE education.

**Life to the Full** is intended to be a partnership between home, school and church. We know that you already do a fantastic job and we see our programme, **Life to the Full**, as a means to further develop, support and enrich the partnership between home, school and church so that your child is fully supported.

If you have any further question, please don't hesitate to contact the office and they will forward your queries to me.

Best wishes

Miss H Price

Care, Courtesy & Commitment

**Module Three: Created to Live in Community** explores the individual's relationship with the wider world. Here we explore how human beings are relational by nature and are called to love others in the wider community through service, through dialogue and through working for the Common Good.

**Early Years Foundation Stage:**

- Children will learn that God is three in one: Father, Son and Holy Spirit
- Know that they are loved and called to love others
- Learn about the different communities they are part of and the responsibilities they have to them

**Key Stage One:**

- Children understand that God is love: Father, Son and Holy Spirit
- Learn that being made in His image means being called to be loved and to love others
- Learn about the various communities they belong to: home, school, parish, the wider community, the nation and the global community
- Know that God calls us to live in community with one another

**Lower Key Stage Two:**

- Children will develop a deeper understanding that God is love as shown by the Trinity
- Understand that the human family reflects the Holy Trinity in mutual charity and generosity
- Know that the Church family comprises of home, school and parish
- Catholic Social Teaching on what it means to work for the Common Good

**Upper Key Stage Two:**

- Children will know that God is Trinity – a communion of persons
- Learn that the Church is the body of Christ
- Develop a deeper and richer understanding of Catholic social teaching
- Learn how certain charities reach out to the wider community with love

**Religious UNDERSTANDING**

In the first Unit, Religious Understanding, the sessions help children to develop a concept of the Trinity at a level appropriate for their learning stage. They learn about the creative circle of love between Father, Son and Spirit. Children will learn that just like the Trinity of God, we are made to love God and love others, and we are made to be loved by God and others. This extends not only to us, our families, our friends and our personal relationships, but also to the wider world.
